**You're Invited!**

**Workforce Career & Innovation Summit**

Energy and Water Public Utility Management and Operations Careers

**At this summit, you'll:**

- ✓ Learn about career paths and in-demand skills in the Energy & Water industries
- ✓ Hear directly from professionals and innovators in the field
- ✓ Discover training programs, internships, and credential opportunities
- ✓ Connect with potential employers and mentors
- ✓ Explore how your studies can lead to meaningful, high-impact careers

This event is perfect for students interested in **business, engineering, environmental science, water management, energy management, or workforce development.**

**When:** Thursday, November 13<sup>th</sup>  
**Time:** 8:30 AM - 12:00 PM

**Location:** Room N100. Located in the Curran Community Center

Enjoy a networking breakfast from 8:30 - 9:00 a.m. before the program begins!

**Scan the code to register**

*We look forward to seeing you there!*

# Energy and Water Utility Workforce Career and Innovation Summit – Free!

## • **Featured Speakers**

- Water - Tom Tyler, Director of Facilities and Maintenance, MDC
- Energy – Ted Novicki, Senior Director of Regulatory Affairs, Avangrid

## • **Panel of Educators and Current and Former Students**

- Carol Stewart, Energy and Utility Leadership B.S. Degree Program Coordinator, SCSU
- Wes Winterbottom, Water Mngt, Clean Water Mngt, Public Utility Mngt Certificate and A.S. Degree Pgms Coordinator – CT State Gateway
- Lukas McFarland, CT Water Company – current WMT student
- Michael Anderson, Gov't & Community Relations Specialist, Avangrid – graduate of CT State PUM, A.S., SCSU PUM B.S. Programs

# Public Utility Management Certificate and A.S. Degree Program

- **Certificate** consists of the five program specific courses taught Live Remote Online:
  - BMGT 1410 Public Utility Management
  - BMGT 2416 Rates and Revenues
  - BMGT 2419 Asset and Infrastructure Management
  - BMGT 2421 Customer Relations
  - ENV 1120 Environmental and Energy Law and Regulations  
plus ENG 1010 Composition
- **Target audience:** People who already have a two or four-year degree and already work for a utility and wish to advance their careers or enter the water or energy utility field.
